"Mortgagee".

WITNESSETH

1. To secure the payment, with interest thereon, and the performance and fulfillment of any and all Mortgage Obligations (as hereinafter defined) of Mortgagor to Mortgagee, which is hereby confessed and acknowledged, Mortgagor hereby grants, assigns, transfers, bargains, sells, conveys, confirms, pledges and mortgages to Mortgagee, all and singular, the goods, chattels and property described in the annexed Schedule A and all other goods, chattels, machinery, equipment, inventory, accounts, chattel paper, notes receivable, accounts receivable, furniture, fixtures and property of every kind and nature, wherever located, now or hereafter belonging to Mortgagor (all such goods, chattels, machinery, equipment, inventory, accounts, chattel paper, notes receivable, accounts receivable, furniture, fixtures and other property being hereinafter referred to as the "Mortgaged Property"), to have and to hold the same unto Mortgagee forever, PROVIDED, however, that if Mortgagor shall fully timely and faithfully pay, perform and fulfill the Mortgage Obligations, time being of the essence hereof and of the Mortgage Obligations, then this Mortgage shall be void, but otherwise shall remain in full force and effect.

2. The term "Mortgage Obligations" as used herein shall mean and include any and all loans, advances, payments, extensions of credit, endorsement, guaranties, benefits and financial accommodations heretofore or hereafter made, granted or extended by Mortgagee or which Mortgagee has or will become obligated to make, grant or extend to or for the account of Mortgagor, and any and all interest, commissions, obligations, liabilities, indebtedness, charges and expenses heretofore or hereafter chargeable against Mortgagor by Mortgagee or owing by Mortgagor to Mortgagee or upon which Mortgagor may be or have become liable as endorser or guarantor, and any and all renewals or extensions of any of the foregoing, no matter how or when arising and whether under any present or future agreement or instrument between Mortgagor and Mortgagee or otherwise, including, without limitation, any and all obligations and/or indebtedness of any and every kind arising out of one or more conditional sale contracts, equipment lease agreements, notes, security agreements, trust receipts and/or bailment agreements, and the amount due upon any notes or other obligations given to or received by Mortgagee for or on account of any of the foregoing, and the performance and fulfillment by Mortgagor of all the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage and in any note or notes secured hereby and in any present or future agreement or instrument between Mortgagor and Mortgagee.

3. Mortgagor covenants and agrees with and warrants to Mortgagee that the Mortgaged Property described in the annexed Schedule A is in the possession of Mortgagor at its principal place of business (which is Mortgagor's address shown above), unless a different location is specifically shown on said Schedule A for any one or more items, that all of the Mortgage Obligations are acknowledged and declared to be secured by this Mortgage and that Mortgagor will fully and faithfully pay, perform and fulfill all of the Mortgage Obligations, with late charges thereon from and after maturity, whether by acceleration or otherwise, at the rate of 1/15 of 1% per day except where such rate is in excess of the maximum permitted by applicable law, in which event the rate shall be such maximum lawful rate. Mortgagor further covenants and agrees with and warrants to Mortgagee that:

(a) Mortgagor is the lawful owner of the Mortgaged Property and has the sole right and lawful authority to make this Mortgage, the Mortgaged Property and every part thereof is free and clear of all liens and encumbrances of every kind, nature and description (except any held by Mortgagee), and Mortgagor will warrant and defend the Mortgaged Property against all claims and demands of all persons.

(b) Mortgagor will keep the Mortgaged Property free and clear of all attachments, levies, taxes, liens and encumbrances of every kind, nature and description; Mortgagor, at its own cost and expense, will maintain and keep the Mortgaged Property in a good state of repair, will not waste nor abuse nor destroy the same or any part thereof and will not be negligent in the care and use thereof; and Mortgagor will not sell, assign, mortgage, lease, pledge or otherwise dispose of the Mortgaged Property without the prior written consent of Mortgagee. Mortgagee is hereby authorized to file one or more financing statements and/or a reproduction hereof as a financing statement.

(c) Mortgagor will insure the Mortgaged Property in the name of Mortgagee against loss or damage by fire and extended coverage perils, theft, burglary, pilferage, and also, where requested by Mortgagee, against other hazards, with companies, in amounts and under policies acceptable to Mortgagee, the proceeds to be payable to Mortgagee, and all premiums thereon shall be paid by Mortgagor and the policies assigned and delivered to Mortgagee. Mortgagor hereby irrevocably appoints Mortgagee as Mortgagor's Attorney-in-Fact to make claim for, receive payment of and execute and endorse all documents, checks or drafts received in payment for any loss or damage under any of said insurance policies and to execute any documents or statements referred to herein.

(d) Mortgagor will not remove the Mortgaged Property from its present location without the prior written consent of Mortgagee nor change its present business locations without at least thirty days' prior written notice to Mortgagee and at all times will allow Mortgagee or its representatives free access to and right of inspection of the Mortgaged Property, which shall remain personalty and not become part of any realty, and nothing shall prevent Mortgagee from removing same or so much thereof as Mortgagee, in its sole discretion may determine, from any premises to which it may be attached and/or upon which it may be located upon breach of this Mortgage. Mortgagor agreeing to deliver to Mortgagee appropriate waivers, satisfactory to Mortgagee, of owners and/or mortgagees of any such premises.

(e) Mortgagor shall comply (so far as may be necessary to protect the Mortgaged Property and the lien of this Mortgage thereon) with all of the terms and conditions of leases covering the premises wherein the Mortgaged Property is located and with any orders, ordinances, laws or statutes of any city, state or other governmental department having jurisdiction with respect to the premises or the conduct of business thereon, and, where requested by Mortgagee, will correct any informalities or execute any written instruments and do any other acts necessary to more fully effectuate the purposes and provisions of this instrument.

(f) Mortgagor will indemnify and save Mortgagee harmless from all loss, costs, damage, liability or expense including reasonable attorneys' fees that Mortgagee may sustain or incur to obtain or enforce payment, performance or fulfillment of any of the Mortgage Obligations or in the enforcement or foreclosure of this Mortgage or in the prosecution or defense of any action or proceeding either against Mortgagor or against Mortgagee concerning any matter growing out of or connected with this Mortgage and/or any of the Mortgage Obligations and/or any of the Mortgaged Property.

(g) If Mortgagor is a corporation, the execution of this Mortgage has been duly consented to and authorized by all of the stockholders of Mortgagor and duly authorized by its Board of Directors. Mortgagor agrees to deliver to Mortgagee evidence thereof satisfactory to Mortgagee immediately upon request.

4. If Mortgagor shall default in the performance or fulfillment of any of the terms, conditions, promises, covenants, provisions and warranties on Mortgagor's part to be performed or fulfilled under or pursuant to this Mortgage, Mortgagee may, at its option, without waiving its right to enforce this Mortgage according to its terms, immediately or at any time thereafter, and without notice to or demand upon Mortgagor, perform or fulfill the same, or cause the performance or the fulfillment of the same, for the account and at the sole cost and expense of Mortgagor, and the cost and expense thereof (including reasonable attorneys' fees) shall be a lien on the Mortgaged Property, added to the amount of the Mortgage Obligations, and shall be payable on demand with interest at the rate specified in Paragraph 3 hereof. This Mortgage may be assigned along with any and all Mortgage Obligations without notice to Mortgagor and upon such assignment Mortgagor agrees not to assert against any assignee hereof any defense, set-off, recoupment, claim, counterclaim or cross complaint which Mortgagor may have against Mortgagee, whether arising hereunder or otherwise, and such assignee shall be entitled to at least the same rights as Mortgagor. Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C-A Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove, or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale; Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution, and waive the issue of process, all right of appeal and relief from any and all appraisal, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagee's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate; however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed; and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns; and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, successors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective; however, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.

This Agreement is made March 11, 19 83 between ALLSTATE FINANCIAL CORPORATION, hereafter called Allstate, and Plastic Sales, Inc.

hereafter called Borrower, and James M. Carr

and hereafter called (jointly and severally) Guarantor.

1. *Purchase of accounts.* The Borrower will from time to time offer to sell to Allstate, and Allstate will purchase from Borrower, such open accounts receivable, book debts, notes, drafts, acceptances, contracts, and choses in action, hereinafter called accounts, arising in the ordinary course of business of Borrower, as are acceptable to Allstate. Allstate will advance to Borrower at the time of the purchase of accounts a percentage of the face value thereof; and the remainder, hereinafter called the reserve, (less any charges, discounts or deductions and plus any overpayments), will be paid to Borrower immediately upon payment in full of any such accounts to Allstate by the parties indebted thereon, hereinafter referred to as the debtors. No such payments need be made by Allstate in respect of any accounts purchased or assigned hereunder, if Borrower is in default in the performance of any provisions of this agreement with respect to any accounts whatsoever.

2. *Charges.* Borrower shall pay the cost of filing any financing statements or other public records required, in Allstate's discretion, to perfect a security interest in the collateral (described below) offered by Borrower as security for the performance by Borrower (and the debtors of the Borrower) of Borrower's obligations hereunder. In addition, Allstate shall deduct from the reserve paid to Borrower the charges shown on Schedule A attached hereto, as "discounts".

3. *Representations and covenants.* The Borrower represents, warrants, and covenants as follows: (a) contemporaneously with the purchase of accounts pursuant to this agreement, Borrower will execute a schedule of accounts, in a form approved by Allstate, vesting in Allstate all the Borrower's right, title, and interest in and to said accounts, with any securities or guaranties thereon, and in and to the property evidenced thereby, including the right of stoppage in transit; (b) Borrower will make proper entries upon its books, disclosing the absolute sale of accounts to Allstate; (c) every account will be bona fide, will be a certain undisputed claim for the amount set forth in the schedule of accounts, will represent a sale and delivery of personal property sold, or work and labor done by Borrower, will not be subject to any setoff or counterclaim, and will not be contingent upon the fulfillment of any contract or condition whatsoever, and Allstate may verify all such accounts or any portion thereof; (d) each debtor named in each account will be solvent, and will remain so until the maturity thereof, and each account will be paid in full on or before the date shown on its due date on the schedule of accounts, and if not so paid Borrower will upon demand promptly pay any amount represented to be owing thereon to Allstate; (e) if any debtor objects to the quality or quantity of property sold or work and labor done by Borrower, or rejects, returns, or fails or refuses to accept or receive any property represented by any account, or if any such property is rerouted or reconsigns, then the Borrower will forthwith pay to Allstate the amount represented to be owing on such account, and in the case of any property returned to Borrower, Borrower will hold such property in trust for Allstate and subject to its order, until payment is made therefor by Borrower to Allstate; (f) if any allowance or credit on any account is given by Borrower, then Borrower shall pay the amount thereof immediately to Allstate; (g) Borrower, upon demand, will open all mail only in the presence of a representative of Allstate, who may take therefrom any remittances on accounts sold to Borrower; (h) Allstate may endorse the name of Borrower upon any such remittances, if payable to Borrower, and may sign and endorse the name of Borrower on any invoice, freight bill, bill of lading, storage receipt, warehouse receipt, or any other instrument or document in respect of any account, and may sign the name of Borrower on any notices Allstate may give to debtors; (i) Allstate may, from time to time, enter Borrower's premises to inspect, check, make copies of or extracts from the books, accounts, orders, and original correspondence relating to accounts, and Borrower will make available its books, records and files to Allstate at any time for such purposes; (j) Borrower may hold for purchase or as security any accounts, property, securities, guaranties, or monies of Borrower, which may at any time be assigned to, or delivered to, or come into the possession of Borrower, and may apply these or the proceeds thereof to the payment of any amounts which at any time then or thereafter are or might be owing to Allstate by Borrower; (k) Borrower will not sell, grant a security interest in, or assign any of its accounts elsewhere without giving 30 days' written notice to Allstate of its intention to do so; (l) if any debtor suspends business, requests a general extension of time within which to pay its debts, or makes an assignment for the benefit of creditors, or if a petition in bankruptcy, or in equity for receivership, or for reorganization under the Bankruptcy Act or any amendment thereof is filed by or against any debtor, or a creditors' committee is named for any debtor, or in the event of the occurrence of any act whatsoever amounting to a business failure by any debtor, then in such event Borrower will immediately pay to Allstate the amount represented to be owing by such debtor on any account; (m) if Borrower fails to perform promptly or violates any of the promises or obligations herein contained, then Borrower shall pay Allstate all attorneys' fees, court costs, and all other expenses which may be expended or incurred by Allstate to obtain or enforce payment of any account, either against the debtor, Borrower, or any guarantors, or expended or incurred in the prosecution of any action against Borrower or any guarantors concerning any matter growing out of or connected with the subject matter of this agreement and accounts purchased herein; (n) Borrower will execute and deliver to Allstate any and all instruments or documents, and do any and all things, necessary or convenient to carry into effect the provisions of this agreement, and to facilitate the collection of any accounts; and (o) Allstate shall have the right to notify the U.S. Postal Service authorities to change the address for the delivery of mail addressed to Borrower to such address as Allstate may designate.

4. *Collection of accounts.* Borrower hereby authorizes Allstate to collect accounts from the debtors. Borrower agrees that it will transmit and deliver to Allstate at Alexandria, Virginia, on the dates of receipt thereof, all original checks, notes, drafts, acceptances, or other evidences or forms of payment received by Borrower in payment of, or on account of, any accounts sold to Allstate, and Allstate shall accept at par, subject to payment, all such remittances. Allstate may notify any debtor or debtors of the assignment of accounts by Borrower, and may collect such accounts directly from any such debtor, and Borrower does hereby constitute and appoint Allstate its attorney in fact irrevocably for it and in its name, and at the cost and expense of Borrower, to demand, collect, compromise, sue for, and institute and complete any action or proceedings whatsoever for the collection of any monies due upon any accounts.

5. *Lien and Security Interest; Assignment of Receivables*

a. To secure the payment of its obligations to Allstate, Borrower grants to Allstate a continuing general lien and security interest in all receivables and in all of Borrower's rights, title and interests in other accounts, security agreements, notes, bills, acceptances, installment paper, certificates of deposit, tax refunds, insurance proceeds, conditional sale or lease contracts, chattel mortgages or deeds of trust, general intangibles, and contract rights, and all other hypothecations, and promises or duties to pay money, now or hereafter owned or acquired by Borrower, and all proceeds and collections thereof, all guaranties and other security

therefor, and all right, title, and interest of Borrower in _____

(all of which is sometimes hereinafter referred to collectively as "Collateral"). Allstate shall have the right to use the name of Borrower in enforcing Allstate's rights hereunder.

b. Borrower shall pledge, assign and deliver the Collateral to Allstate at its office in Alexandria, Virginia, or such other places as Allstate may designate, together with schedules executed by Borrower, listing the Collateral and fully and correctly specifying in adequate detail the aggregate unmatured, unpaid face amount of each item of account and the amount of the deferred installments thereof falling due each month. The schedules shall be of form and tenor satisfactory to Allstate. Each payment of money to Borrower, and each assignment and delivery of Collateral pursuant to such payment covered by each schedule shall constitute and be a single transaction, separate from and independent of every other schedule, but the provisions of this agreement shall apply to each and every such transaction. Any representations, warranties, guaranties or other undertakings of Borrower contained in said schedules or endorsed on any Collateral or otherwise entered into by or on behalf of Borrower by any of its officers or agents shall be binding on Borrower and shall not limit any of Borrower's warranties, guaranties, or other undertakings contained in this agreement, but all such warranties, guaranties and undertakings and all rights and remedies of Allstate hereunder or under said schedules, endorsement or other undertakings shall be cumulative and none is exclusive. Borrower agrees that Allstate may from time to time verify the validity, amount and other matters relating to the Collateral by means of mail, telephone or otherwise in the name of Borrower, Allstate or such other name as Allstate may choose.

c. Failure to include any item of Collateral in any schedule, or failure to deliver physical possession of any instruments, documents, or writings in respect of any Collateral shall not invalidate Allstate's lien and security interest therein, except to the extent that possession may be required by applicable law for the perfection of said lien or security interest.

d. Failure of Allstate to demand or require Borrower to include any items of Collateral in any schedule, to execute any schedule, to assign and deliver any schedule, or to deliver physical possession of any instruments, documents, or writings related to the Collateral shall not relieve Borrower of its duty to do so.

e. After the occurrence of any event of default, as defined in Paragraph 6 hereof, and until such default is either cured or waived by Allstate in writing, Allstate may, without prior notice to Borrower, apply all or any part of the proceeds of any advance or advances thereafter made upon any schedule or schedules to reduction of Borrower's loan account or payment of any Borrower's obligations.

f. All purchases and advances by Allstate to Borrower under this agreement and under all other future agreements constitute one transaction, and all indebtedness and obligations of Borrower to Allstate under this and under all other agreements, present and future, constitute one general obligation secured by collateral and security held and to be held by Allstate hereunder and by virtue of all other agreements between Borrower and Allstate, now and hereafter existing. It is distinctly understood and agreed that all of the rights of Allstate contained in this agreement shall likewise apply insofar as applicable to any modification of or supplement to this agreement and to any other agreements, present and future, between Allstate and Borrower.

g. Without the written consent of Allstate, Borrower will not allow any Financing Statement or Notice of Assignment of Accounts Receivable other than those executed or filed by Borrower or Allstate as a result of purchases or advances hereunder to be on file in any public office covering any of Borrower's accounts receivable, proceeds thereof or other matters subject to the security interest granted to Allstate in this Paragraph 5 of this agreement.

6. *Default.* If Borrower defaults in the performance of any provision of this agreement, suspends business voluntarily or involuntarily, makes an assignment for the benefit of creditors, or if a receiver is appointed for the property of Borrower, or if a petition in bankruptcy, or in equity for receivership, or for reorganization under the Bankruptcy Act or any amendment thereof, is filed by or against Borrower, or a creditors' committee is named for Borrower, or in the event of occurrence of any act whatsoever amounting to a business failure by Borrower, or if there is any change in officers, directors or stockholders of Borrower not occasioned by death, Allstate shall have all the rights and remedies provided in this agreement and in the Uniform Commercial Code in force in the State of Borrower's chief place of business at the date of this agreement and, in conjunction with or addition to those rights and remedies, Borrower will on demand repurchase from Allstate all the outstanding and unpaid accounts, and will pay Allstate therefor the aggregate principal amount owing thereon, plus charges accrued thereon, attorneys' fees, interest at the prime rate in effect on date of default at the McLean Bank, McLean, Virginia, all expenses of collection, and other charges or expenses paid or incurred by Allstate in respect of accounts, debtors, Borrower, or guarantors, or in the prosecution or defense of any actions in respect of this agreement, or accounts purchased hereunder, less any amounts payable by Allstate to Borrower hereunder; and upon failure so to do, Allstate may liquidate accounts by sale at public or private sale, on ten days' notice by registered mail to Borrower, or on such notice as may be required by law, at which sale Allstate may bid for and purchase accounts free from any right or equity of redemption of Borrower, and the net proceeds of such sale shall be applied against the repurchase price, and the Borrower shall be entitled to any surplus, or shall pay any deficiency.

7. *Modifications.* Allstate may, without notice to Borrower, grant extensions to, or adjust claims, or make compromises, compositions, or settlements with debtors with respect to any accounts, or securities or insurance applying thereon, without affecting the liability of Borrower hereunder.

8. *Waiver.* Borrower waives notice of nonpayment, protest, and demand, or notice of protest and demand, of any accounts, or of any securities or instruments relating to any such accounts. The waiver by Allstate of any breach of this agreement, or any warranty or guaranty herein, shall not be construed as a waiver of any subsequent breach. The failure to exercise any right hereunder by Allstate shall not operate as a waiver of such right. All rights and remedies herein are cumulative and not alternative.

9. *Guaranty.*

(a) Guarantor is a party to this agreement for the purpose of inducing Allstate to advance monies to or purchase accounts from Borrower.

(b) Guarantor hereby guarantees the prompt and complete performance by Borrower of all the covenants and conditions of this Security Agreement, and payment of all damages, costs and expenses that by virtue of this agreement might be recoverable by Allstate from Borrower.

(c) This guaranty shall continue until all terms of this Security Agreement have been performed by Borrower or discharged by Allstate.

(d) Guarantor's obligations hereunder are derived from Borrower and Guarantor shall be entitled to, and shall not assert any defense to which Borrower is not entitled.

(e) This guaranty shall extend to all present and future advances or purchases by Allstate to or from Borrower.

(f) Allstate shall not be required to exhaust its remedies against Borrower before proceeding against Guarantor; but, Allstate may, at its discretion, proceed against either or both in any order it chooses.

(g) Any indebtedness of Borrower now or hereafter held by Guarantor is hereby subordinated to the indebtedness of Borrower to Allstate.

(h) This guaranty shall not be discharged or in any way affected by the death of Guarantor.

10. *Benefit.* This agreement shall be binding upon and inure to the benefit of the parties, their legal representatives, successors, and assigns.

11. *Place of business.* Borrower warrants and represents that its only places of business are those set forth below and that Allstate will be notified promptly of any change of location of any place of business or record-keeping or the addition or any new place of business or recordkeeping. Borrower further warrants and represents that the only office where it keeps records concerning the accounts herein referred to is its chief place of business set forth below.

12. *Assignment.* This agreement may be assigned by Allstate without notice to Borrower. However, neither this Security Agreement nor the Guaranty herein may be assigned by Borrower or Guarantor without written consent of Allstate.

13. *Amendment.* This agreement contains the entire agreement of the parties hereto, and neither shall be bound by anything not expressed in writing.

14. *Construction; Consent to Service of Process.* The validity, interpretation and effect of this agreement and guaranty shall be governed by the laws of the State of Maryland. Borrower hereby consents to the jurisdiction of all courts in Virginia and hereby appoints Allan W. Farlow, Esq., whose address is 8501 Stonewall Drive, Vienna, Virginia as Borrower's Agent for Service of Process. Said appointment by Borrower is for the sole purpose of acceptance of service of process and no other; and Borrower shall pay all costs and expenses incurred by said Agent in notifying Borrower of the service of any process. Borrower and Guarantor hereby authorize said Agent to send notices to each of them via certified mail, return receipt requested, at Borrower's chief place of business listed below; PROVIDED THAT, if Borrower's chief place of business AND Guarantor's place(s) of residence are in the State of Virginia, Maryland or the District of Columbia, the provisions of this entire paragraph shall not apply to this agreement.

15. *Power of Attorney—Borrower.* Borrower hereby appoints and authorizes Allstate as its attorney-in-fact to endorse on its behalf Borrower's name on checks, or other forms of remittance received where such endorsement may be required to effect collections, or on and as to any forms of collateral, such as letters of credit, deeds of trust, notes, deeds, etc., where said collateral must be looked to by Allstate for collection of Borrower's debts hereunder. This power shall permit Allstate to deal generally in all respects, without restriction, in and with any of the property that constitutes either the accounts secured hereunder, or the collateral described herein. This power of attorney shall be deemed to be coupled with an interest and shall not be revoked and cannot be revoked except with the prior written consent of Allstate.

16. *Power of Attorney—Guarantor.* Guarantor hereby appoints Allstate as his/her attorney-in-fact to deal generally in all respects, without restriction, in and with all of the property owned by Guarantor that forms part or all of the accounts secured hereunder or the collateral described herein. This power of attorney shall permit Allstate to deal with said property as if said property were owned by Allstate. This power of attorney shall be deemed to be coupled with an interest and shall not be revoked and cannot be revoked except with the prior written consent of Allstate.

17. *Term.* This agreement shall begin on the date first written above and continue in full force and effect for a period of one (1) year.

18. *Continuing Purchases.* The parties contemplate a continuous course of purchase of accounts by Allstate and concurrent advances to Borrower during the term of this agreement. Borrower shall offer to Allstate accounts in the face amount of at least \$ 30,000.00 per month. Borrower warrants that it shall not enter into any other factoring or similar agreement with any other entity or person during the term of this agreement without the prior written consent of Allstate. In the event Borrower shall pay to Allstate the sum of \$ 1,000.00 as liquidated damages for said breach.

19. *Continuing Effect.* The provisions of this agreement and guaranty shall apply to all present and future transactions whereby Allstate advances monies to Borrower or whereby Borrower sells or assigns accounts to Allstate.

In witness whereof Borrower has executed this agreement, and Allstate has noted its acceptance by its authorized employee.
